

GUFFEY COMMUNITY ASSOCIATION
MEETING MINUTES
WED., JULY 18, 2012

The meeting was called to order by president Flip Boettcher at 6:05 pm.

TREASURERS REPORT – Jo Beckwith handed out the report for all to read. There were no corrections.

JANUARY MEETING MINUTES – Tabled until the December meeting due to absence of secretary Lani Gossett.

9-HEALTH FAIR – Mary Curtis reported that there were 86 volunteers and 123 people attending this year's 9Health Fair. Curtis said that for next year volunteers could get their lab work done before the Guffey 9 HF opens next year.

ELECTIONS – All of the present officers were unanimously elected for another year.

CEMETERY COMMITTEE – Ownership of the cemetery still is in question. The committee is still working on getting the surveyor and the ground radar people here.

COMMUNITY INPUT – Carol Todd brought up her problem with the night light code violation by her neighbor. She filed her complaint one year and five months ago. She asked the county why it's taking so long. Todd said they told her that if an individual doesn't accept mail from the county and has a locked gate, they can duck the violation because the county can't serve them with papers. Even though it will cost her neighbor nothing to fix the night light violation, he won't do it Todd said and she doesn't know why.

The meeting was adjourned at 6:47 pm.
